TRANSPORTATION PROGRAMS

SPA offers multiple bus routes and carpooling options for families looking for transportation to and from school. Our Transportation Coordinator manages busing and also helps facilitate carpooling arrangements among parents. For questions about SPA's bus routes or help setting up a carpool group in your neighborhood, please contact Transportation Coordinator Melissa Douden at mdouden@spa.edu.

CARPOOLING

Many SPA families participate in carpools to and from school. Our Transportation Coordinator can help you connect with families in your neighborhood who are also interested in participating in a carpool.
