2022 MIDDLE SCHOOL STUDENT SHOWCASE

THURSDAY, MAY 19, 2022, 6:30 P.M.
HUSS CENTER FOR THE PERFORMING ARTS

2022 MIDDLE SCHOOL SPRING SHOWCASE

Welcome to the 2022 Middle School Student Showcase! The show will include a series of student written and directed one-act plays, musical performances, and visual art created by our amazing Middle School artists. This is a night of talent and creativity that is sure to entertain. Our student directors/choreographers have done a fantastic job of communicating their vision clearly to their actors. They have guided their cast members through this collaborative process with a positive tone and a creative work space, while keeping everyone on task and focused.

Watching our students in action was an inspiration. The playwrights, actors, designers, and crew have worked hard to bring each and every piece from the page to the stage. Enjoy this clever, fun, and engaging lineup of original works and covers of popular songs.

VISUAL ART SLIDESHOW EXHIBIT

The artwork that you are enjoying this evening has been selected by the students and submitted for the Arts & Literature Magazine. Each piece was created during the 2021/22 school year, both in and out of the classroom.
